The structure alone is an empty shell —
 This year
 we have conquered the concrete and
 warmed the wood and shown that truly
 a school is people.

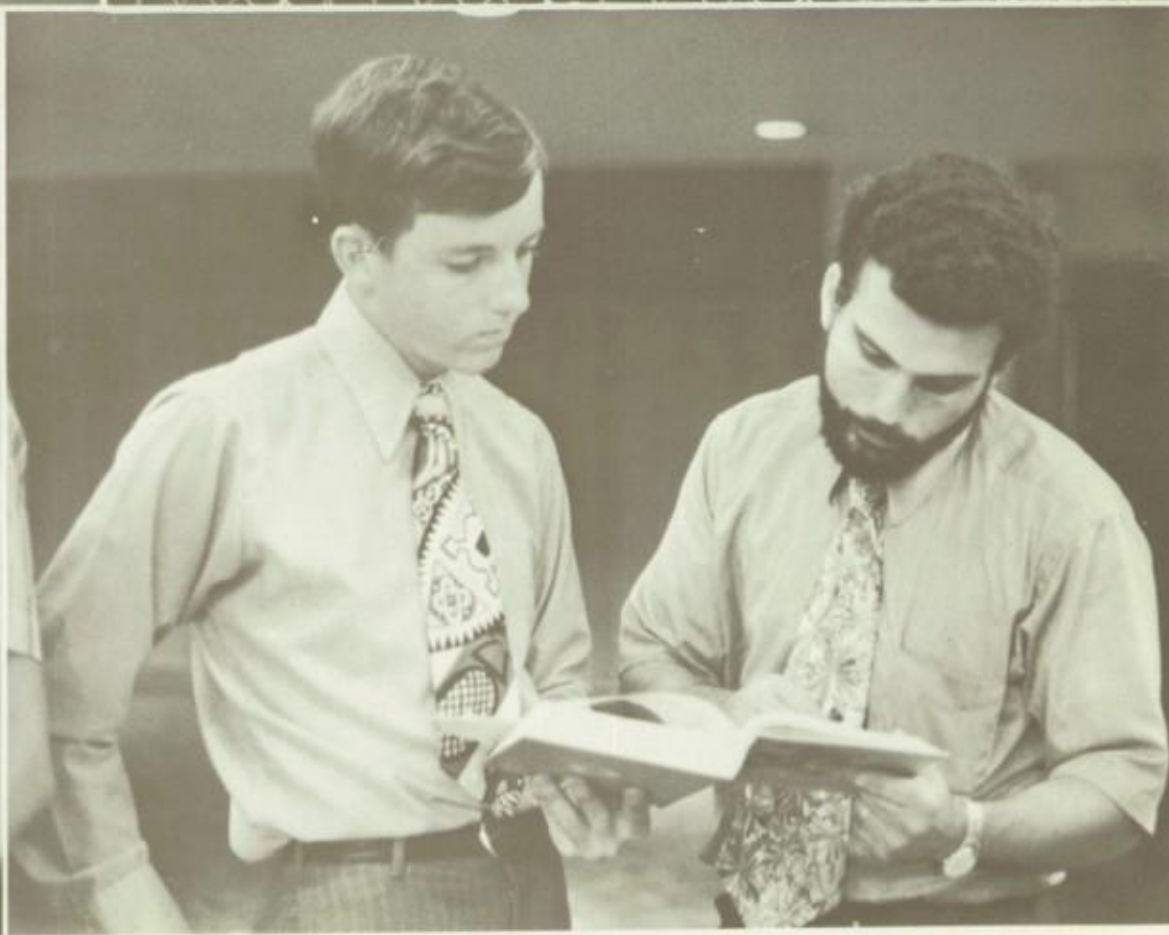

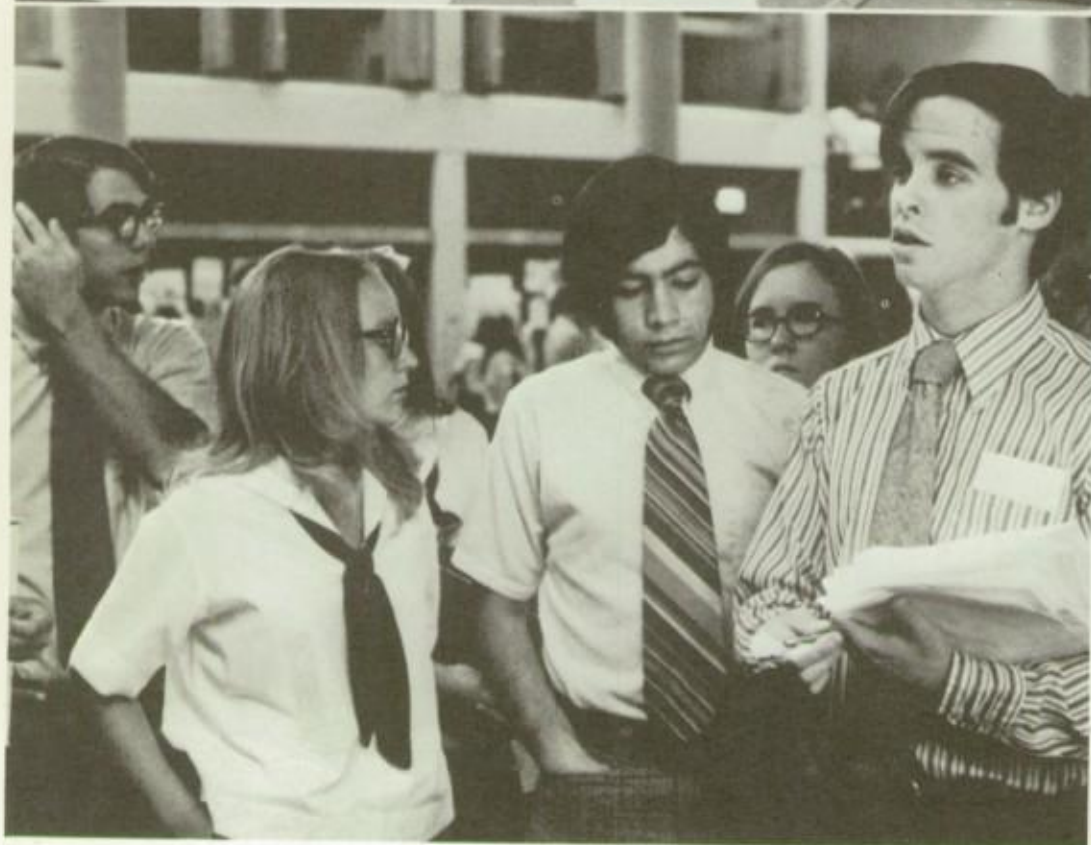

Wherever you are, whoever you are —
friends are a marvelous part of living.

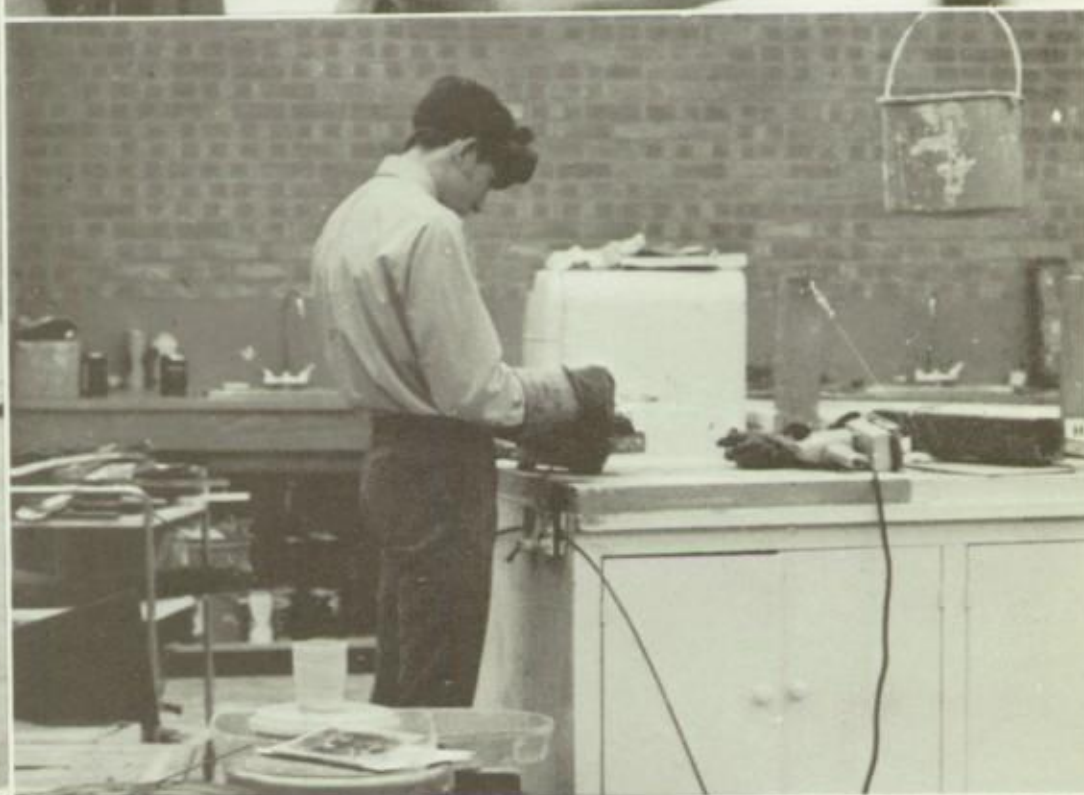

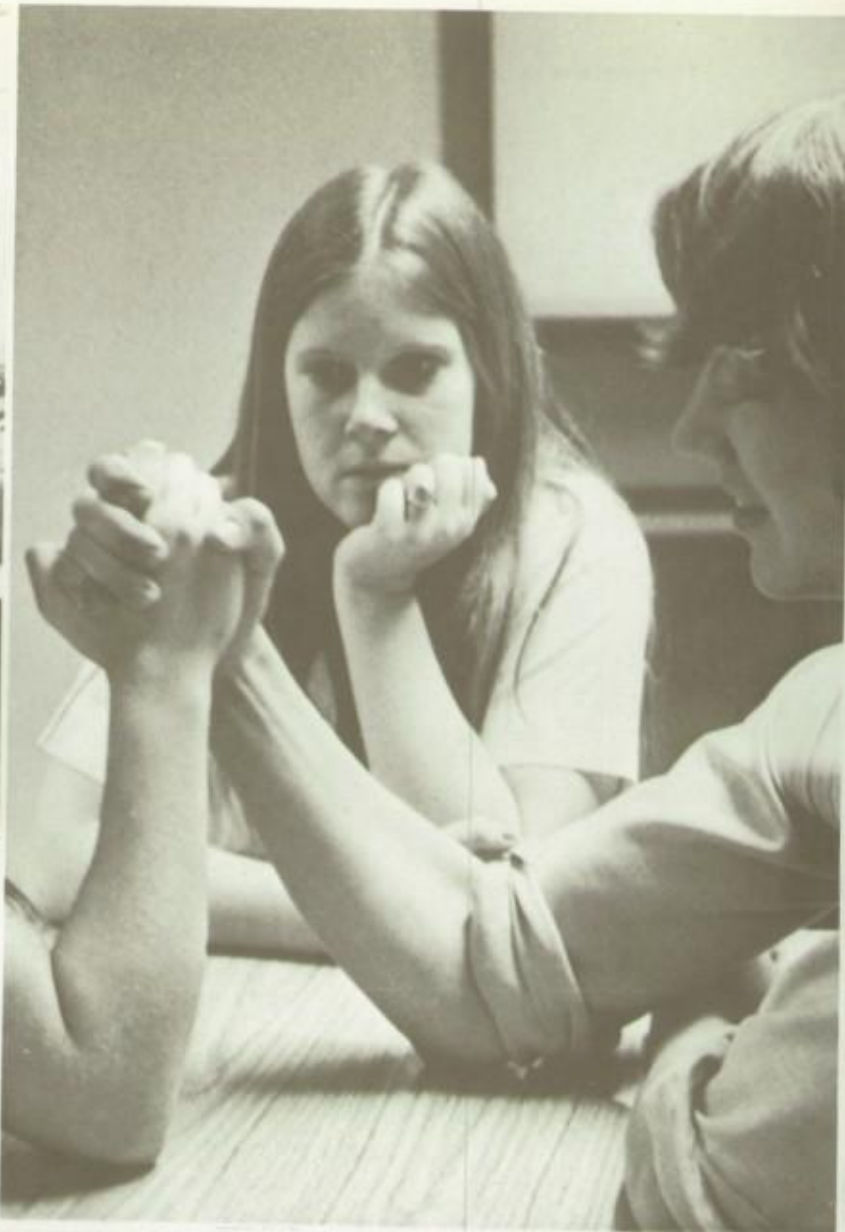

Freedom
to search together
to reach a mutual understanding
of ourselves
in our community.

Freedom
to choose between
togetherness and solitude;
watching and working.

Freedom
to learn that
learning knows no limits.
